SeaDek or Similar Flooring Removal Notice:

All standard items listed above are included in the prep process. However, if the boat has **SeaDek or similar foam flooring installed**, there will be a **removal charge of \$150 per hour**, added to the final invoice.

To avoid these charges, please ensure any existing foam or adhesive flooring is fully removed prior to delivery.

Customer Acknowledgements:

- I understand that **Deck Armor Inc.** will not be responsible for damage to personal items left onboard during installation.
- I confirm that all fragile or valuable items have been removed prior to installation.
- I acknowledge that additional charges may apply if the boat has not been cleaned and is not ready for installation.

- I authorize **Deck Armor Inc.** to use pressure washing equipment if needed for floor prep..
-

Disclaimer:

Boats must be properly prepared before drop-off to avoid delays. If Deck Armor Inc. must complete any prep work (such as removing gear, flooring, or cleaning), **additional labor fees may be incurred**. These charges will be added to the final invoice.

Boat will have tape applied around the edges of flooring application. Deck Armor Inc. is not liable for any paint, flooring, or siding coming loose as tape is removed. All efforts will be used to ensure minimal damage.
